Dear Brethren,

This video is from Missionary Alex Melendez, serving in both Costa Rica and Panama. This is his work in a place called Finca 51 which is a mixture of Panamanian nationals and Guami Indians. The photos attached along with the video are of his works in Barranco Adentro and Puente Blanco, which are solely of the Guaymi Indians. Praise the Lord for the progress on the pavilion seen in one of the photos from Puente Blanco!

Bro. Alex has an excellent ministry not only here, but also in Costa Rica where he has his mother church in San Rafael Abajo de Desamparados. Besides this work, he also has two other works in La Garita de Alajuela and Nandayure de Guanacaste. Praise the Lord for this man's faithfulness and hard work, not to mention the tireless dedication of his wife Mariela! In the video, you can get a glimpse of Bro. Alex standing in the back on the left side in front of the door.

Bro. Alex reminded me today of his ongoing need to fix his vehicle. If you support Bro. Alex, you may want to help him with a donation to help get his work vehicle repaired. He needs \$3000 total. That's such a drop in the bucket compared to the eternal worth of the souls of those precious souls in Costa Rica and Panama. Glory to God for the beautiful feet of those that preach the glorious gospel of Christ!
