Thank you all for your prayers. I can't believe how bad Ms. Cheryl was this morning. Most of the night, too. I sent out the request for prayer, and we had our services and special prayer for her. After service, she was a different woman. God blessed us greatly. She is still sick, still weak, but not in the pain she was in earlier. Thank you for your prayers.

Ruslan and I will be flying to Istanbul early in the morning. I will update you as soon as I have some solid information for you.

Thank you for all you do for our Lord and His children.

Looking up,
Allen
