

THE QUINNS

Church Planting Missionaries to the United Kingdom since 2021

A MOVEMENT IN MINISTRY

When I was called into the ministry, I made a vow to the Lord that I would do anything He wanted me to do and go anywhere He wanted me to go. These changes have not always made sense at the time, but the Lord makes things perfect in His time. This has taken me to Bible College, Northern Ireland, deputation, back to the UK, and finally to Colchester. All along the way the Lord has blessed and taken care of us.

William helping to put away hymnals

Recently, the Lord has made it clear that He wants move us again. We have been serving in Colchester since October 2022. These last two years have been a blessing to our family, and we have seen the Lord work through the church to reach many people in Colchester. We were prepared to serve the Lord here for the rest of our lives. Yet, the Lord decided to stir up our nest. A few months ago, the Lord began to direct us away from Colchester and in a new direction. Since then, I have spent countless hours seeking the scriptures, praying, thinking on this, and sought much counsel for direction. At the beginning of September, it became clear that I needed to step away from the ministry in Colchester.

Just to be clear, we are still church-planting missionaries and we are still serving in the UK. I am still preaching and teaching at Downham Baptist Church until their new pastor is installed. As we serve there, we are praying for the Lord's direction for our ministry in the UK. We appreciate you praying with us!

100 MILES FOR AUTISM

On a lighter note, I've taken up an interesting challenge. There is a charity in the UK that helps people with autism and builds awareness about autism. For the month of October they have a challenge to travel 100 miles. I've decided to walk these 100 miles, and so far I've completed 50 miles. This is a great charity event that helps people like William who live with autism. Please pray that I'll be able to complete the 100 miles, and that the charity will be able to help many autistic people!

Thank you,
Sam, Beth, Ruby, and William Quinn
