

## DECEMBER 2024 PRAYER LETTER

### Christmas Programs

This year for Christmas, our church here in Hincesti, Moldova, took up an offering during the month of December to buy special Christmas gifts for children from our community. All the children that attended VBS, plus brothers, sisters, or neighbors, were then invited to attend a special Christmas program. Our goal was to share the good news of Christmas with these children, but to also continue building relationships with them and their families. Thirty-seven children along with 5 parents attended and heard how Christ came to this earth to be our Savior. Many of the children were excited to participate and are already asking about VBS this coming summer. We were also able to have some good conversations with the parents, some of whom asked us to let them know when we would have more programs for their children. **Please pray for the seeds that we continue to plant and water, that God in His time would bring forth fruit in the hearts of these children, but also their parents.**

As a church we celebrated Christmas on the 25<sup>th</sup> of December with a Christmas dinner afterwards, enjoying time together as a church family. Emily also had a special fellowship time with our church ladies and a few guests. Besides a meal, the ladies worked on a small craft, laughed together, and had a small devotional to keep our hearts focused on searching for Christ during Christmas just as the wise men did. **Pray for the guests that came to also seek Christ in their lives.**
