Dear Brethren,

The attachments enclosed are a promotion of a camp project for Missionary Alex Araya in Costa Rica. Please pray with us about this project.

Bro. Carl
Luke 19:10

Dear Brethren,

The following is a presentation of the future construction of a multi-purpose facility at the Coronado Campsite in Costa Rica located in Sacramento de Barba in the province of Heredia. The facility will not only serve as a gymnasium for basketball, volleyball, and indoor soccer, but also be used for preaching, teaching, and other miscellaneous activities. The project is estimated to cost \$70,000.

The photos I have enclosed will give you an idea of this plan. If you have any questions, please contact me. The construction will be done by the church itself, and if any group from your church would like to volunteer to help, you would be welcomed with open arms. This camp ministry is a great tool of the local church to aid in the preaching of the gospel and the teaching of God's word with the prayer that the Lord of the Harvest would send forth laborers into his harvest.

The photos below are aerial views of the building site and the camp area. The youth are gathering to pray for God's will and provision for this project. In the beginning, the First Fundamental Baptist Church of Coronado followed their vision of building this camp and worked fervently as a unit to raise the funds to pay for the camp property. In the last few years a total of 11 cabins have been built, a beautiful pavilion with tile floor, fireplace, and windows, restroom facilities, hot water installed, land moved and conditioned, new stove installed, cabinets for the kitchen, etc., etc. This was all done through patience and the hard work of the church as a unit, praying, giving, and seeing God do great things to put this project together for his glory.

Several groups from churches have not only personally participated in the construction of the camp, but also have sacrificially given towards the costs of the building materials. PRAISE THE LORD.

We pray that the almighty and sovereign God who owns the cattle on a thousand hills will provide for the building of this facility. IS ANYTHING TOO HARD FOR THE LORD? GOD IS GOOD.

Bro. Carl, GPA
