Greetings, Dear Brethren. We rejoice to share with you the blessings that God has bestowed upon us since our last report.

In the month of November the Guayama Church completed its 38th Anniversary of having been established. We had a celebration as a church, and it was a great reminder of God's faithfulness and goodness. Several of our brethren are experiencing difficult health conditions and have not been able to congregate. That is why we made visits to these brethren in order to encourage them in the faith and to celebrate the Lord's Supper with them.

For a long time we have been praying that our families would have a closer relationship to God and be saved. We thank God that Jose, Melanie's father, visited our church for the first time, and that his sister along with her family have accompanied us in different special activities. We continue praying for God to work in their hearts.

As usual, every year we celebrate Christmas together with the Baptist Church of Aibonito. We had a great time of blessing receiving the teachings of Pastor Carlos Rentas and sharing with the brethren. There was an attendance of approximately 60 people that day. To close the year, a pool day was held for the Youth Group, and it was a blessing since some of the youth's parents came to visit.

At the beginning of the year, Julissa visited the church with a friend. Julissa is the daughter of one of the members of our church. We praise God that they both made a profession of faith. They left to go back to the United States, and we pray that God will continue to guide them in their spiritual growth. In the last few months, three new people have been visiting us, and we pray that they give their lives to the Lord. Two teenagers have also begun to congregate every Sunday. They also made a profession of faith. Glory be to God.

In January, God worked in a very special way by sending a missionary group from Wisconsin from the Wyldewood Baptist Church and its EPIC ministry to support us in the evangelistic work. During one week, around 15,000 books of John and Romans were delivered, provided by this same ministry, in addition to invitations to two evangelistic activities that we held that weekend. That Sunday, we received a visit from six new people in the church, one of whom continues to faithfully attend since then, and four others who belong to a family who were contacted to start Bible studies in their home with the hope that they may be saved and begin to congregate. This month, Mauricio also began teaching the Pentateuch Class at the Baptist University College of Puerto Rico. Thank you for your prayers and support. May God continue to bless you greatly.
