

JUNE 2025 PRAYER LETTER

VBS

In Moldova, children start the school year on September 1st and end their school year on May 31st. Those dates are set in stone even if they fall on a Saturday or Sunday. Since school finishes so early here and we will soon be taking a trip to the States to take Hannah to college, we chose to have our VBS week earlier in the summer. This year our theme was Legos, which all kids love. Over the course of the week, we had more than 45 children attend VBS. Along with some adults, we had 7 of our teens come out all week long to help in what ever area they could. The week was filled with lots of excitement and business. This year, we taught the life of Esther to the children. It was such a joy everyday as we reviewed to see how much they remembered and had learned. The children paid very close attention during the lesson and were always disappointed when the story ended and they had to wait until the next day to find out more. Each day, they were given a challenge to build something that went along with our lesson like a throne, a feast, and many other things. One parent shared that her children had asked her to quiz them on all that they had learned so far, so that they could answer the review questions the next day. **Please pray for the seeds planted in the children's hearts, but also for each of their families as they went home and shared all they had learned.** We may never know the impact VBS had on their lives, but we trust that God will reap a harvest in His perfect time.

Praises

1. Great VBS
2. Teens serving

Prayer Requests

1. Families to be reached
