

The Catalan Family

Missionaries to the Philippines

July 15-September 2025

Dear Praying Friends,

We praise the Lord for the grace and wisdom, and physical strength He gives us daily! In August we moved to a new home, which is closer to the church that we started. We are thankful for friends in the ministry, another BIMI missionary couple who were so kind to help us move! We have thankfully settled in our new home.

We are praising the Lord for the 15 individuals who received Christ in the past 2 months. Please pray as we disciple them, and that they would be obedient to follow in water baptism. One man in particular name Gary is someone that we met and invited to church. I had an opportunity to have a conversation with him, and he seemed to have some knowledge of the Bible, but he was not sure about his salvation. One Sunday he came to church and was able to share with him the Gospel and he accepted Christ as his Saviour that same day. We praise the Lord as he has been attending church on Sundays and is being discipled every Tuesdays. We thank the Lord for opportunities God gives us to share the gospel!

We started new discipleship classes in September every Tuesday morning (pic on the right) as well as a few others on specific days of the week. Please pray for these classes that the people will continue grow in their faith and spiritual walk with God.

July was the beginning of typhoon and rainy season, so we have had a few typhoons pass through. When rainy season starts, there is always potential for flooding in our area, especially when a typhoon passes through which happens every month. Thankfully, the house we moved in is on a higher ground and the church that we are

renting is on the 2nd floor of a commercial building. There are times that we must have an online midweek service because of flooding in the area. Even though it is like that here, we are thankful for God's protection over us. It is also encouraging that the church people always have the desire to join the church services. Only God can give that desire to them, it reminds us of the verse in 1 Peter 2:2 *"As newborn babes, desire the sincere milk of the word, that ye may grow thereby."* We praised God for this blessing!

We are grateful for your continual prayer and support for us here in the Philippines. Please continue to keep us in your prayers as we serve God and please pray for our desire that we will be able to purchase a land for the church here in His time. May God continue to richly use us and bless us in His ministry!

In His Service,
Catalan Family
