Message from Bro. Araya, Costa Rica

October 15, 2025

Dear Brethren,

Just recently I had sent out an urgent need for our missionary Alex Araya, involving roof and car repairs which came to a total cost of \$3000. Because of a rusted-out tin roof, his bedroom is being flooded, and also half of the kitchen space. During the rainy season, especially October, the rains are heavy and continual. The gear box on his 2003 work vehicle needs repaired, requiring \$1000 to fix it. Alex explained to me that the US dollar has decreased 30% in value, which has made it increasingly difficult to make ends meet, especially when things like this happen.

Those who know Bro. Alex, and those churches who support his ministry know that he is very driven and industrious servant of God, and especially now since his father has gone to heaven, leaving Alex in charge of the Coronado church with its many ministries involving missions, camps, youth, Bible institute and Seminary, etc. I've known Alex since he was an 8-year-old child, and I can't remember a time when he wasn't working by his father's side in the ministry. Bro. Alex is certainly worthy of our help and prayers.

If you would like to help Bro. Alex in this time of urgent need, please let me know, and I'll be happy to instruct you on how to send your donation.

Thank you for your attention to this letter and for your love for God and his work.
