Missionary Bismark Martinez, Costa Rica Report

Missionary Report from Pastor Bismark Martínez and his family, Missionaries in Costa Rica.

Beloved Pastor and Church, thank you for taking the time to read our report of the last two months. You and your church have played a part in every activity and everything we have done. That is why today we give thanks for all your prayers and your faithfulness each month throughout this year.

We want to share some of the activities of the last two months and also wish you God's blessings during this Christmas season. In October, we had a Leaders' Retreat and a Missionary Conference. It was a time of great encouragement and strength to conclude a productive year. We had a visit from Pastor Pedro Alfaro from Mexico, who shared God's word and his experiences with us. We also participated in the Missionary Conference of our sending church with Pastor Alex Araya in San José, the capital, where we

shared God's word. It was a very rewarding time sharing with him, his family, and the brothers and sisters in Christ. We also had the opportunity to share with other missionaries.

At the beginning of December, God allowed us to travel to the United States, to the

state of Florida. There, the Lord opened doors for us in three Hispanic churches. In two of them, we shared the gospel, and we give thanks to Pastor Juan López of

Calvary Baptist Church and also to Pastor Aurelio Aguilar of Maranatha Baptist Church. We were able to meet with Brother Carl Hewlett and Sister Nancy, sharing a wonderful time. We also had the opportunity to meet and visit with Brother Pedro Alfaro. We had a time at a missionary conference with the theme "Light to the Nations" at Maranatha Baptist Church with Pastor José Ramírez. All these visits were a great blessing, allowing us to share with the brothers and sisters and see in each church the work that God is doing, not only to learn from them but also to come back and put it into practice in our own churches.

My wife and I want to wish you all a Merry Christmas and a Happy New Year, and we pray that God will bless each church and every member of each church.

We have returned to our country to share with the children in our Good News Clubs and with the young people and our entire church. Keeping in mind that we will be holding our Christmas Service and New Year's Service.

Beloved pastor and church, we wholeheartedly wish you a wonderful time during this Christmas season, and may God bless you. We appreciate your faithfulness each month and your prayers. We also have some special

requests that we would like to share with you:

1. The construction of another classroom for the nursery children.
2. The construction of the kitchen floor.
3. For the growth of the work in Upala and Canalete.
4. For the salvation of these two towns so that we can establish ourselves as an independent local church.

We sincerely appreciate all your time and prayers.

Sincerely, Missionary Pastor

Bismark Martínez
