

## Fwd: urgent need

Please continue to help us pray for that needed vehicle. Is there anything too hard for the Lord?

However, we did get someone to pick them up at the airport on Friday. Praise the Lord! Our car is just too small to fit everyone in, plus the luggage. Three different brethren from Providence Baptist of Riverview offered to get them at the airport. It's great to have good friends like these!! GOD IS GOOD.

Dear Good Friends,

The Hutton Family (Melanie our daughter, Quintin our son-in-law, Justice and Verity) from Costa Rica will be coming to the States starting this Friday, Dec. 18 and need a vehicle to use for the time they are with us, until January 8. This is their annual trip to visit family, report to churches, and pick up supplies for homeschooling, ministry, etc. Quintin's mother normally lends them her Chevrolet Suburban, but problems have arisen this year that make it impossible for them to use the car. Their children, Justice and Verity, are 10 and 8.

The vehicle needs to be big enough to seat four, plus have room enough to accommodate their luggage. Their longest trips from the Valrico area (Our house) will be to Bradenton (one hour south on I-75) and Lakeland (30 minutes east on I-4).

If you or someone you might know who could do this, it would be a tremendous help to these missionaries. They will be arriving this Friday at 9:58 pm at Tampa airport. Please help us pray that the Lord will supply this most urgent need. Let me know if you could possibly help.

GOD IS GOOD.

For His Glory,

Bro. Carl
