## MISSIONARIES TO THE PHILIPPINES

October- December 2025

Dear Praying Partners,

Happy New Year! As you receive this letter, we pray that you will have a fruitful year for the glory of God this 2026.

We are thankful to share that this past October, we held our Missions Emphasis Month. It was a great blessing to our church as we invited four different missionaries to speak each Sunday and present their mission fields. During this time, we introduced Faith Promise giving and challenged our church family to give above and beyond their tithes for the furtherance of the Gospel around the world and to fulfill our role in the Great Commission. By God's grace, we received enough Faith Promise commitments to support all of the missionaries who presented. God has been so good.

On Saturday, December 20th, we held a special Christmas program for our Bible Club kids' ministry. Despite the rainy weather, we praise the Lord that 40 children were able to attend. The day included the story of Jesus' birth, singing, food, and games. There were several parents present who were able to hear the gospel. Please pray that God would continue to work in the hearts of the people in our outreach area. We are very grateful for our church family, who gave generously and volunteered their time to help make this outreach possible. It's been an encouragement to see our church people grow and become more involved in ministry. It is also our prayer that God would call men in our church to serve Him in full-time ministry. We also praise Him for the 22 souls who have gotten saved in the past two months.

By God's grace, our church continues to grow, and we are now facing a good challenge—we are running out of space in our rental building. We are praying for the Lord's provision to purchase land so we can build a larger church facility. We would greatly appreciate your prayers for this need, trusting that God will provide in His perfect time and way.

Looking ahead, we will be on furlough from June to November 2026. We already have several meetings scheduled, but if you would like us to come and give a report or ministry update, please let us know—we would be happy to connect.

Prayer Requests:

- Please pray for our furlough preparations, both here and in the U.S., including a vehicle need.
- Pray for continual good health for our family during this flu season, as sickness has been widespread.
- Pray for God's provision to purchase land for a future church building.

Thank you for your faithful prayers and continued partnership in the ministry.

In Christ,

John Mark & Kristin Catalan Family
