Dear Joseph,

We had a super start to our week here at Buford Grove Baptist Church 😊. I started my new Sunday School class ...I'm teaching Soul Winning, (how to lead someone to saving faith in Jesus Christ). Pastor Carringer preached the a.m. and p.m. service and of course hearts were challenged!

The rest of my week was very unusual but very good. I drove to Dublin Georgia on Monday. I stayed at Northside Baptist Church where Chad Kennison is Pastor. We have known each other for around 30 years.

On Tuesday, I had my annual VA appointment. After my appointment I had lunch with Brother Eddie Morgan one of the deacons.

On Wednesday, Pastor Kennison had a funeral in Kite, Georgia. Two of the men of the church and I accompanied the Pastor to the funeral. We had a nice lunch and some great fellowship after the funeral.

I had a special blessing on Wednesday night. Pastor Kennison asked if I would

preach. ... And of course, I said yes.

On Thursday, I drove back to Hilliard, Florida and tried to catch up on the last four days that I was away .

Friday, I worked in my office all day and prepared for “Saturation Saturday” and for my new Sunday school class.

Today we had an exceptionally good day of visitation. Twenty-eight people showed up to go out and invite people to church. While we are out visiting... If anyone gets an opportunity ... we also love to go in and sit down and open a Bible and show them how they can come to the saving knowledge of Jesus Christ and spend eternity in heaven.

We serve an awesome God!!!!!!

Let us continue to pray  one for another.

“Thoughts To Ponder”
“Smile You’re on Candid Camera”

Jeremiah 23:23 Am I a God at hand, saith the LORD, and not a God afar off? Jeremiah 23:24 Can any hide himself in secret places that I shall not see him? saith the LORD. Do not I fill heaven and earth? saith the LORD.

Many times when you are in a store ... on the street ... or even at someone's door, you will see the sign "You Are on Camera" The sign is there for a reason, especially in today's world. It immediately reminds a person that he is being watched, and it prompts him to be careful about what he does. Do we need such a sign to keep us straight? 😐 I would hope not 😐 ... For a Christian, the sign should not change anything we do, because he lives every moment of every day with the awareness that God is at hand.

i'm afraid many people think when we are in a distance city or far away from our family and church, that Satan will tell us that we can do as we please because no one is watching. In Jeremiah 23:23 God was rebuking the prophets Of Jerusalem for acting as if they thought God could not see them. Could this be true of us?

Proverbs 15:3 says, The eyes of the LORD are in every place, beholding evil and the

good. The thought of God's all seen eye is disturbing too many, but to us it should be a comfort and an incentive to living a victorious Christian life. Beyond that we should also be mindful of our accountability to our family, our church, but especially to God, even when we are alone.

If we need a surveillance camera to keep us from doing wrong, we are in big trouble, and we are living in defeat.

It is much better to have the integrity that Joseph had when he told Potiphar's wife, Genesis 39:9 There is none greater in this house than I; neither hath he kept back anything from me but thee, because thou art his wife: how then can I do this great wickedness, and sin against God? We need to love and reverence God so much that we never want to displease HIM. Remember, God is always at hand and never a far off.

We serve an omnipresent God ... so smile, you are on God's camera
