**July-September 2025**

I began attending a day program three days per week where I am able to meet others and give the gospel to others as well as share Bible tracts and my book.

**October 2025**

On the first of October, I retired as the Director of Black Church Planting with Baptist Home Missions due to health reasons. I continue to prayerfully support and encourage those whom God committed to my charge. The mission has agreed to continue to support me as well.

**November-December 2025**

I was glad to be able to spend time with my family and friends during the holidays. Thank you for all the visits, calls, cards, gifts, and financial support.

**January 2026**

I thank the Lord for allowing me to see another year, and if the Lord is willing, I will celebrate my 94<sup>th</sup> birthday February 14<sup>th</sup>. I pray that you all will have a safe and prosperous new year. I love you all. Keep on keeping on for the Lord. He is soon to return!

Please continue to keep me in your prayers as I pray for you. May God continue to richly bless you.

His Servant,  
James R. Earls
