### Planting Baptist Churches in Costa Rica

Heredia, Costa Rica, January, 2026

**Dear Co-laborers and Praying Friends:**

***”Forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark.”*** Philippians 3:13-14

We begin a new year with the desire to continue bringing the message of the gospel to the lost, preaching sound doctrine and awaiting the coming of our Lord Jesus Christ.

God is good and always helps us with his mighty hand to remain firm and steadfast, growing in the work of the Lord. We give thanks to him for his care and protection.

In our church in Heredia, we continue to move forward, motivated and growing spiritually. Please pray for the new believers who are taking the discipleship course and those who are about to be baptized, that they may overcome all the obstacles and attacks the enemy puts in their way to discourage them. May they be strengthened in the Lord and in the power of His might and keep going forward. Pray for the brothers and sisters who are learning to preach the gospel, that they may have victory and reach their family members, colleagues, and friends with the gospel of salvation.

Please pray for the converts in Piedades Sur of San Ramón that they may continue to grow in the grace of the Lord, and also for all those to whom we are preaching the gospel, that with the help of the Holy Spirit they may understand the gospel, believe, and be born again. The people there are very devout Catholics, but we trust in the Lord that He can convince them of their need to accept God's grace.

Please continue to pray for my health. Unfortunately, the test I had this month showed that the kidney stone is still close to my bladder and has not yet been expelled. Please pray that by God's mercy I can expel it soon so that I don't have to go through surgery.

Thank you for your financial support and for your prayers for our ministry. May God bless you abundantly according to His riches in glory.

Your servant: Guillermo Rojas
