

# THE QUINNS

Church Planting Missionaries to the United Kingdom since 2021

**JANUARY 2026**

## BACK TO THE FIELD

The last 5 months of furlough have seemed to fly by. The Lord has blessed us with two new supporters, much of the money we need for the new church plant, and even money to help with our move and new set up. The Lord allowed us to see two people saved. We talked to two prospective missionaries to the UK, and we had lots of people interested in missions trips to Northern Ireland.

We were so blessed to fellowship with and be encouraged by many of our supporting churches. We were able to be close to Beth's mom as she went through cancer treatments and spend the holidays with family. Praise the Lord Beth's mom is doing well and we are able to head back to the field encouraged and geared up for a great work.

It has been a blessing to watch the Lord prepare the way to the field! We flew out Thursday night, landed Friday evening, and Saturday evening our things arrived at our new house. Thank you for praying for all of these things with us! Praise the Lord for putting so many things in order for us. If you would like our new UK address please contact me privately.

## THE NEXT STEPS

We're in the middle of settling into a new area: getting the kids in school and all that entails, unpacking the house, and buying a car to name a few. As we get settled, we're doing a more in depth survey of where to start the new church-plant in Belfast.

Our primary goal is to work in Catholic areas of the city, as these are the least evangelised. We're going to be meeting with some churches and pastors that have worked in these areas to get ideas about how to proceed.

Thank you praying for us all throughout furlough and our journey to Northern Ireland! Please continue to pray as we look to the new work God has for us!

God bless,  
Sam, Beth, Ruby, and William Quinn
