## Serving in Sarapiqui, Costa Rica

The Lord bless you, my brethren.

We want to tell you what we have been doing in the work where the Lord has sent us, always grateful for your prayers and support for our family and ministry.

## October

We began the month of October celebrating the 59th Anniversary of our sending church, the First Fundamental Baptist Church of Coronado. I had the opportunity to preach, and it was a beautiful time of fellowship. (Cover photo)

We give many thanks to God that our son Samuel found a job; he is quite content and is doing very well; he is almost 70% finished with his university degree. Please pray for him that the Lord will guide him in this new stage of his life. For now, he is living in San José with my mother, attending and serving in the Coronado church.

On September 25th and October 11th, my wife and I turned 50 years old. We thank God that He has allowed us to reach this age serving Him and doing His will. The brethren of the church gave us a lovely celebration.

We also had our Missionary Conference, where we had the blessing of having Bro. Bismark Martínez and Bro. Rick Dove preaching. They were accompanied by their wives, Sister Iris and Sister Shannon. We had a tremendous time, and the church was very blessed and encouraged.

In October and November, we were on a deputation tour in the United States. Samuel was unable to go because of his new job. My brother Luis Diego accompanied us for a few days and helped us with the translation. It was a very blessed tour. The brethren welcomed us very kindly, helped us with everything, and we had a lot of fellowship time in the different places we visited. May God richly bless them.

In addition to this, God blessed us with the money to buy a new vehicle. We bought a 12-passenger van, a 2017 model. Glory to God for this!!! Thanks to this couple of brethren that God used in Jacksonville to bless us by meeting this need. Also, my brethren, we received a very special offering to repair the church bus, glory to God for this too!!! Thank you to those who had been praying for this, God answered, God provided!!!

During the tour, a man named Paco in South Carolina received the Lord into his heart. The pastor of the church, Bro. Ezequiel of Ebenezer Hispanic Church, gave me the opportunity to share the plan of salvation with him. It was a very special moment.

My brethren, I asked for your prayers as I presented several projects we have for some of our church needs. There is interest from some churches, so pray that God will prosper everything, please.

## November

We also had the men's fellowship retreat where the teachings were based on the Apostle Andrew, "The servant of small things." This time was also very edifying.

I also had the opportunity to preach at the Missionary Conference of the Coronado Church and participate alongside other pastors and the brethren of the church.

## December

This month is always very busy. We had the Youth Gathering of the fellowship, as well as the Christmas Service where we were able to give gifts to the children and have a party for them. Some of their parents visited us, and it was a great blessing.

We ended the year with the New Year's Eve service, welcoming the New Year in the church.

Thank you, brethren,, for taking the time to read this report and pray for us.

We love you in Christ.  
May God bless you richly,

Allan Delgado and family.
