Church Planting Missionaries to the United Kingdom since 2021

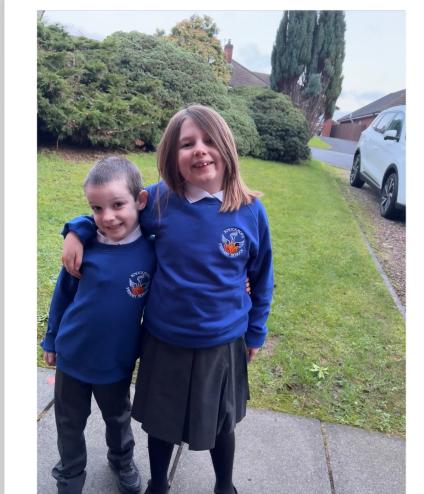

**FEBRUARY 2026**

## CAUGHT IN A WHIRLWIND

The last couple of weeks has been a whirlwind of activity. We moved to a town just south of Belfast. The Lord has given us a house that is perfect for us. With every new house comes growing pains: unpacking all the boxes, selling furniture that no longer fits, purchasing different furniture that does fit, etc. We found a car—a 2014 Vauxhall Astra Estate. It's a British station wagon type vehicle that fits our family well. Finally, we found the kids a school that has a great set-up for children with special education needs. The kids are settling in well to their new school.

Thank you so much for praying for us during this settling in time. For the church, we're doing a lot of online and in person research about all the details in starting a new work in Belfast and we appreciate your prayers about this as well. We are anxious to get started!

## GRÁSTA COMMUNITY HUB

Reaching into the community with the gospel is many times a multi-faceted work. In one hand, there is the absolute necessity to clearly share the gospel with the lost. On the other hand, we often need a way to connect with people in order to share the gospel. Our friends in Derry seem to have found an idea that meets the two.

They've started the Grásta Community Hub—which has a youth meeting, a children's club, a weekly outreach time, and a weekly Bible study. Their located very close to city centre, offering a place for people from all over the city to come hear the gospel. The name Grásta means "grace" in Irish Gaelic. Please pray for our friends in Derry as they seek to reach that city with the gospel!

Thank you,  
Sam, Beth, Ruby, and William Quinn
