## **GOD IS TRANSFORMING MEN**

The Lord blessed us with about 40 students at West Nile Bible Training Center and about 40 at Bible Way Training Center. Both groups began the weeks of training by claiming God's promise in Psalm 81, "Open thy mouth wide, and I will fill it." I really felt the Lord's blessing on the Student Leadership Team. We met a few days before the students came and had times of pouring our hearts out to God. These students really helped to set the spiritual atmosphere for many weary, struggling men who were looking for help. They also took a big load off me. I am praying they will really begin to take ownership of this ministry.

The training at WNBTC was focused on laying a foundation of faith in the Living Word of God. For two weeks, we dealt with crucial issues concerning the power and authority of God's Word. We pressed them to make the Word of God preeminent in their own personal lives and in their preaching ministries. In the evening vision meetings, we presented the theme of "building people/marriages/families in the church. I think this was a new burden for these men, but they received it well.

The training at BWTC focused on "Sanctification by Faith" and we really sensed God breaking through sin patterns and mental strongholds in the men's lives. I really believe God dealt with these men in a personal way. Many of them came to faith that God is presently involved in a divine miracle of transforming them into the very image of Jesus Christ. During my time there, the students were active in soul-winning, and around 8 made professions in Christ!

We had a wonderful new first at BWTC. Pastor Elezeo has been a student for about 2 years, and this term his son joined as a student!

I was so encouraged to see the dormitory for students completed, as well as the housing for schoolteachers. Here are a few pictures. Thank you so much for praying for this and for giving so sacrificially! God is doing wonderful things at the Bible Way Christian Academy.

God opened a special door for me to hold a Bible study with 4 of the staff at the hotel that I stayed in while I was in Adjumani teaching. The Lord led me to exposit the story of the Woman at the well in John 4. God connected the truths to a dear woman named Christine during our hour and a half together. She admitted that her husband had left her after she had two children with him. When she tried to call him, he would just end the call. She had become an alcoholic, trying to escape the pain of rejection. You can only imagine how precious it was as the Holy Spirit took this story and made it so real to her. She

said, "I want to be saved today!" After she prayed, she looked up at the gentlemen who stocks the hotel bar and said, "I don't want any more alcohol, Andrew." I looked at her and asked, "Are you not thirsty anymore?" With a big smile on her face she said, "No, not anymore."
