Greetings in the name of our Lord!

In the months of **April** and **May** we have been very busy. In the month of April we were able to present the ministry in 8 different churches, 2 of these churches have taken us on for support! God is blessing us with more meetings than ever before and our support level is increasing! **To God be the glory!**

We are very excited as we near the 50 percent mark of our deputation! Thank you to all of our supporters for furthering *Seaport Ministries*. We are looking forward to getting into the port on a full time basis and reaching as many souls as possible.

Speaking of souls in the port, please pray for **Anthony** and **George**. These seafarers were witnessed to in April. I was able to go on board ships in April and May. Do pray for us as our schedule becomes filled to overflowing. We sometimes feel like we are in a pinball machine, going back and forth across the country. Because of all the meetings that we have been blessed with, I am not able to get on board ships very often. Please pray that the port will remain open to *Seaport Ministries* as we are not able to effectively minister on a day to day basis.

We have had an offer accepted on house just 45 minutes north of Panama City! Lord willing we will close on this house sometime in late May or early June. It needs a lot of work, but is exactly what we have been praying for. Please keep this in prayer that we will close with no hassle.

Unfortunately we do have some bad news, we are heartbroken as we have lost an unborn child in the beginning of May. Melissa is doing well physically and recovering. Please keep us in prayer. A dear friend of ours and the ministry has passed away also. Pray for his family.

Thank you for your support and prayers 2 Peter 3:18, stay focused on our Savior!
