Jones & Cabacoy Veterans Care Center

Greetings Saints:

I pray all is well with everyone. I am writing to give you an update on my father, James Earls. In recent weeks I have been hospitalized for eight days, which put my father in an unsafe position because he needs around-the-clock care. I thank God for the caregivers who took extra hours to care for dad and for my sister, Paula, who came to spend the evenings with him. This was a big sacrifice for her because she is still employed full-time and drives a great distance to and from her job each day. There was no emergency respite or back up plan. Most of my family members could not step in and help. Therefore, dad now resides at the Jones and Cabacoy veterans facility in Virginia Beach, VA. It is a brand-new state-of-the-art facility. If you choose to visit him he is in room 115. You can also enjoy a meal with him, breakfast, lunch, or dinner for five dollars; the facility sells meal tickets; however, your name must be on the list ahead of time and that can be done by just a simple phone call to the facility.

He can go out, but I'll need to be notified ahead of time.

In addition, the facility does have a banking system if you would like to put cash into his account when visiting. They do not have the ability to cash checks; therefore, if you're sending any checks, continue to send them to his home address 615 Henderson St., Portsmouth, VA 23701 (or continue to send to the mission board), and I'll be sure to deposit those funds at the facility for his use. I want to thank brother Douglas Butler of NC, publicly for assisting dad with his Veterans benefits to make this transition happen as well as my very own Pastor Edwin Goodwin and my church family, Alpha and Omega Baptist Fellowship, for moving us to the new facility.

I thank God for the people of God and for your love and support. You have blessed us in many ways. I appreciate you all. May God continue to richly bless you all. If you have any further questions, please reply or call 757-759-1618.

Sincerely,

Margaret Earls Mitchell, Daughter of Dr. James Earls - August 2026
