NO POINT FOR A CHURCH

It is seldom that we see or hear the blatant disconnect between Protestants and Catholics that goes on here in Northern Ireland. While doing outreach in a Protestant area, a member of a missions team encountered a man very interested in visiting the church. He was especially excited that we have a Sunday evening service.

Yet, as he walked away the man noticed the address of the church and that it was located in a Catholic area. He chased down our friend just to let him know that he could not (or maybe would not) come to the church because the New Lodge is a Catholic area. He went on to tell our friend that it wasn't even worth the trouble to start a church in a Catholic area.

Unfortunately, this attitude does exist amongst some Protestants and even some believers here in Northern Ireland. This emphasizes the massive need we have not just to start churches, but for people to be saved, discipled, and reach their own family, friends, and community! Please pray for people's eyes to be unveiled in both Protestant and Catholic communities of their need for Jesus. "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved" Acts 4:12

MISSIONS TEAMS

We are so blessed to have had missions teams come help us in July! 2 teams from Beacon Baptist in Raleigh, NC and Calvary Baptist in Hiawassee, GA were able to give out close to 4000 leaflets (or tracts) to share the gospel and let the community know there is a new church. They also had some great gospel conversations with people they met. We are eternally grateful for the teams taking time and funds to come and see and help. If you might be interested in a missions trip, please contact us!

Thank you,
Sam, Beth, Ruby, and William Quinn
