Letter from Missionary Francisco Moreno, Mexico

A Reminder and Urgent Prayer Request

September 2026

Dear Pastor and Church Family,

A few days ago, Brother Francisco Moreno, who is faithfully serving the Lord as an active GPA missionary in Hidalgo, Nuevo León, Mexico, sent a letter sharing some of what the Lord is doing there. In that same letter, he also told us about an urgent need facing his family.

The owner of the house they are renting has asked for the property back, so Brother Francisco and his family must leave it soon. With only a few weeks remaining, they have begun building their own home by faith, using the materials and resources currently available. They are doing as much as they can, step by step, but the house is not yet ready for them to live in.

Brother Francisco does not yet have the funds needed to complete the remaining work and make the home safe and habitable. Approximately \$10,000 is still needed to finish the project. Time is limited, but he continues working with what the Lord has already placed in his hands.

We are sharing this reminder to ask you to help Brother Francisco pray. Please ask the Lord, in His mercy and grace, to provide the necessary funds quickly and allow the work to be completed before the family must leave their rented home.

If the Lord lays this need upon your heart, any gift, regardless of the amount, would directly help a faithful servant of God provide a habitable home for his family and relieve the burden of not knowing whether it will be ready in time.
