Greetings to all of our Brothers and Sisters in Christ!

We have been very busy traveling through the months of July and August. We left home early in July and have visited all the states between Florida and Virginia on the first leg of the trip, from Virginia to Missouri, and from Missouri to Oregon. We will be in Oregon until the end of September. Our trip has been blessed with safe travels and much hospitality from Christians along the way. We are thankful for all the places to stay that have been provided to us. All of the churches we have presented the ministry in have been very generous, thank you and we are praying that God will continue to bless and prosper each one. Our support levels are coming up and we are excited and looking forward to getting into the work of the ministry.

Looking forward, we have several meetings in Virginia, Tennessee, and Georgia in October, please keep these in prayer. We hope to start rebuilding our house in November. If anyone would like to help or has some materials, such as windows and doors, insulation or electrical fixtures, please let us know. Our house is an old double wide trailer that sat vacant for some time, so there is quite a bit that needs to be done. We will be working on it as deputation allows and hope to be able to move in some time next year.

We have traveled much, but the Lord is blessing and He sustains us. To those that are weary, I say look to our Savior!

*Isaiah 40:29 He giveth power to the faint;
and to them that have no might he increaseth strength.*

Take care to grow in the Lord, Christian.

Thank you to all of our supporting Brothers and Sisters in Christ. Your prayer support and financial support is greatly appreciated!
