Prayer and Help for Bro. Alex Meléndez

Beloved Family in Christ,

Bro. Alex Meléndez, a longtime GPA missionary, travels from Costa Rica to Panama three weeks each month to serve in the Lord's work. Each round trip is about **400 miles**, totaling approximately **1,200 miles a month**, in addition to local travel to bring church members to services. He has been making these trips in **this same vehicle for 14 years**.

His vehicle now needs **four new tires, at a total cost of \$1,100**. The current tires are worn, making these long trips dangerous. Replacing them will help him continue traveling safely as he serves the Lord in Costa Rica and Panama.

Why \$1,100 is needed

Bro. Alex is requesting \$1,100 because the U.S. dollar has fallen considerably against the Costa Rican colón in recent months. As the dollar continues to lose value in Costa Rica, this is the amount he needs to purchase the tires.

We ask our brothers and sisters and churches to pray for Bro. Alex. May the Lord, who is able to do all things, provide for this need in His grace and mercy. If your church, or you personally, would like to help, **a gift of any amount would be a great blessing**.
