August & September 2026

Dear Co-Laborers in Christ,

Greetings once again from Tela, Honduras. We are grateful for your prayers and support.

During the past two months, we have been very busy.

We had the visit of Evangelist Darrell Ratcliff and his family. Their specific ministry is preaching the Gospel in public schools. Over the course of a week, we had the opportunity of sharing the gospel with over 3,700 students and 180 teachers. I was surprised by their openness and hunger to hear the Word of God. Many of them made professions of faith. Many of the schools gave us an open invitation to return and share more of God's Word.

I also traveled to the state of Yoro with two men from our church. God opened doors there to visit the local public school. We shared the Gospel with over 600 students and teachers, and also the faculty. Again, I was surprised with their reception to the Gospel. Many of them placed their faith in Christ for salvation.

Toward the end of July, my wife and I traveled to Erandique, Lempira to teach at a church there. Erandique is located relatively close to the Salvadoran border. It is a very small village, but is famous for its opal mines. Not only did we enjoy the sweet fellowship with the little body of believers, but we also enjoyed the cool, dry climate.

Last week we held our 17th annual missions conference. It is a great blessing to see our people give so others can hear the Good News. The Lord has been raising up Hondurans to share the Gospel in other countries. Lord willing, we will start supporting three more families that are serving the Lord in Bolivia, Guatemala, and in southern Honduras. As a church, we are currently supporting eight missionary families and want to add an additional three.

We ask you to pray for our group of young people. Some of them have fallen into drugs and alcohol. It is sad to see them at such a young age throw their lives away. Few of them have parents that are present in their lives. In fact, their parents often encourage drinking and carousing, as that is the life they lead.

Due to the rainy season starting early this year, we have had to halt all construction projects until after the rainy season ends.

We also ask that you pray for our health and continued protection.

May the Lord richly bless each of you!

Sincerely,

Napoleon & Esther Flores
