A Home for Bro. Francisco Moreno and His Family

Dear Brothers and Sisters in Christ,

A few days ago, we wrote to you about Bro. Francisco Moreno and his family. They must leave the home they have been renting. Since then, he has kept working on their unfinished house and sent photos so you can see its present condition and the progress made.

He told us that the urgent need is to finish two rooms, each 4 by 4 meters, so his family can move in. The larger room will have to wait. For now, they hope to live in those two rooms without a kitchen, dining room, or living room, while trusting the Lord to provide for the remaining work.

It is hard to think of a family having to settle for so little simply to have a place to stay. The total cost to provide what is necessary for them to live in the house is \$10,000. Please pray for Bro. Francisco and his family, and consider whether you or your church could help them meet this need.

Thank you for caring for this family and for bringing this need before the Lord.
