Dear Friends,

Thank you for praying for many things going on here right now. Sarah and I were approved for our residency here last week, through the volunteer contract at the high school. That was a blessing. We were also able to obtain financing for the home we were looking at. We will be signing the sale contract for that, Lord-willing tomorrow and moving in this week. It was just in time, since we need to hand back the keys to our rental house at noon this Friday. We are thankful that God is taking care of us.

God bless you,
Mike for the Fruehs
