SIX SAVED AT OUR YOUTH CAMP!

Preaching in Geelong, Victoria

Church Anniversary Sunday

Teaching in Sunday School

Children's Bible Study

Mindy and a Lady from Redlands

One of the Six Saved at Camp

Teen Camp Group of 2026

Dear Partners and Praying Friends,

It's winter in July in Australia, and we started traveling down south to visit one of our church's church plants in Geelong, Victoria. It was a 20-hour drive, and we hadn't driven that far since deputation. We visited a few landmarks along the way, including the "Twelve Apostles" and celebrated Gwen's birthday, which is on the 4th of July—although there were no fireworks here in Australia!

It was a joy to visit and preach for Pastor Daniel Anderson and the Kinsman Baptist Church of Geelong. If you remember, we helped them with their opening service last year. The children miss the snow, so we stopped by the Snowy Mountains and played in the snow for a day. We then attended a Young Adults' Conference in Sydney, where five of our young adults surrendered to full-time Christian service. Please pray for these young people as they continue to follow the Lord in this capacity. I am currently discipling one of these young adults.

Our ministries in Brisbane are busy as usual. I've been doing outreach in the Redlands Coast every week. We have organized a prayer and Bible study group with a family who lives in Berkshire, one of the suburbs where I've been handing out tracts. We've connected well with this family, and they are excited to be hosting this group. Please continue to pray for this effort.

The children are doing well here. We've been doing Bible study with them every Saturday morning and having devotions together every day. My wife has been teaching in the ladies' ministry, and I've been teaching a class on the book of Proverbs. The Lord has allowed me to preach in several different capacities. Our church celebrated its 48th anniversary, which was very exciting. The work continues in the print shop, with tracts being printed every week. We praise the Lord that He has kept our machines going despite their age!

Last week, our church hosted our annual Teen Camp, and what a blessing it was! Many decisions were made by the teens, and six teens were wonderfully saved. Please continue to pray for our young people.

Of course, we wouldn't be able to do all of this without your continual prayers and support!

Your servant in Christ,

Garry Tingson
